We have heard already some electioneer-ing about a new City Council. The "outs" want "in," and the cry is the old Council lacks energy. It may have seemed that way "to a man up a tree," but to those who read their proceedings it will be apparent that they did all in their power to have contracts let. Especially has this been done for opening Main street, and signally falled. Now, the only way in which any grading can be accomplished is street, and signally falled. - that it never fails through any fault or neglect of its composition. We have thousands upon thou-sands of certificates of their remarkable cures of the following complaints, but such cares are known is every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calousel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely regulable no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscera to purify the blood and simulate it into healthy action—remove the electractions of the stomach, bowels, liver, and other organs of the

hody, restoring their irregular action to health, and by correcting, whorever they exist, such decauge-ments as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Fills rapidly cure: —
For Byspensia or Endigestion, Eastlessmess. Languor and Loss of Appetite, they
should be taken moderately to admitte the stomach and restore its healthy tone and action. For Liver Complaint and its various symp-toms, Billions Effendache, Sick Readache, Jaundice or Green Sickness, Billions Colle and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Biarrheen, but one mild dose is generally required.

For Etheumutism, Gont, Gravel, Paint-tation of the Meart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the discussed actions of the system. With such change those complaints For Bropsy and Bropsical Swellings they should be taken in large and frequent deses to produce the effect of a drastic purce.

For Suppression a large dose should be taken as it produces the desired effect by symmetry. As a Dinner Pill, toke one or two Pills to me-
